

2024 CASTING FOR A CAUSE

Hosted by Argyle UMC and benefitting North Texas Patriot Anglers

A family fishing event benefiting the north Texas community.

Saturday, October 19, 2024

<u>Background:</u> Thanks to our sponsors, participants, and volunteers, *Casting For A Cause* (CFAC) has raised over \$115,000 since the events inception in 2017. Over the last 8 years, the money raised has supported the NCTC Foundation Scholarship Program, local food insecurities, and veteran and first responder fly fishing programs. The proceeds of this 8th Annual – Casting for A Cause will benefit the North Texas Patriot Anglers in utilizing the therapeutic attributes of fly fishing to promote healing with veteran and first responders here in north Texas.

<u>Impact:</u> While fly fishing, people that struggle with social anxiety, depression, and addiction can connect with others by working towards a common external goal. Interactions in the outdoors are less likely to be muddied by social divisions. Instead, interactions center upon mindfulness, observation, and appreciation for one's natural surroundings. Similarly, the river can be a safe space for people in recovery from drug and alcohol addiction. Fly

fishing is a haven for veterans, first responders, and others who have undergone trauma. Fly fishing can reestablish a sense of their identity that may have been lost during service, disruptive experiences, or other

life changes. Veterans find themselves once again in a "uniform" (waders and fishing attire) with intense focus on a task, but this time in the safe setting of nature.
